

Calisto 5200

Let your voice be heard

Speak with confidence wherever work takes you.

Personal speakerphone

Calisto 5200

Conference with confidence with the Plantronics Calisto 5200 portable speakerphone. USB and 3.5 mm connectivity enables you to take calls from your PC, tablet or mobile device. You can even merge multiple calls. Plantronics Signature Audio quality means you won't miss a word. With plug-and-play simplicity and an intuitive interface, it's easy to get the meeting started and stay in control of the call. Wherever work takes you, the Calisto 5200 portable speakerphone is ready when you are.

TOP FEATURES

- Easily manage calls from PC, smartphone or tablet with 3.5 mm cable and USB connectivity
- 360-degree room coverage with active background noise reduction, perfect for mobile-professionals who have to make calls in a variety of settings
- Digital Signal Processing (DSP) provides natural voice sound and echo reduction
